HOME-PAC, GHBA's Political Action Committee, directs financial support of the homebuilding industry and is committed to protecting housing affordability and consumer choices. Through your contribution to HOME-PAC, we are able to pool our resources and unite to support the best qualified, pro-housing candidates for local and state office.

As an added benefit, HOME-PAC trustees and sustaining members are invited to join their local officials at special events throughout the year at no additional cost. These events provide an exclusive opportunity to meet face to face with the decision makers in the Greater Houston area.
